Embers Candles – A Crackling Fireplace In A Jar!

Luxury Handmade Highly Scented Candles With Wooden Crackling Wicks.

At Embers each candle is individually handmade using only premium grade wax blends and the finest quality fragrance oils. These are mixed at the highest ratio's possible to create a very strong scent throw equal to or stronger than the leading brands but at a fraction of the cost. Most of our candles are made with our popular wooden wicks which crackle when burning just like a real log fire!

Candle burn times: Our standard sized 20cl candle burn time is approx. 30 hours and our large 30cl candle burns for approx. 45 hours.
