Award Winning Wedding Flowers

Here we are in the middle of another summer which is packed full of weddings. The team and I are delighted to be part of the exciting celebrations of our couples as they hold their special days and take their vows. I am also booked up with wedding consultations to discuss planning more exciting weddings for the future, so if you are booked in I will see you soon.

As a florist I really love the summer as there are all the bright colours of the season to work with and we get to use some beautiful stems in our arrangements for our customers. Even though the weather can sometimes let us down in the summer, our flowers certainly don't disappoint and bring the ray of sunshine in for us.

Make the most of our amazing summer collection while it is available. My team have put together some stunning bouquets which you can gift to your friends and family, or just treat yourself to this summer season. Wishing you all healthy and fun packed summer.

Shane Maple
Business Owner

FLOWER OF THE MONTH

Delphinium

There are few blue flowers in the natural world but the Delphinium is certainly one to admire.

Delphinium is a genus of about 300 species of annual and perennial flowering plants in the family Ranunculaceae, native throughout the Northern Hemisphere

. They look great in wedding arrangements and general hand-tied bouquets.

FEATURED WEDDING

This month we feature a Hannah & Ian's wedding at the stunning Pendley Manor in Tring, Hertfordshire.

The outdoor ceremony sparkled in the early summer sunshine in the beautiful grounds of Pendley Manor.

The chuppah was dripping with fresh flowers for this special occasion as their beloved friends and family looked on.

FLOWERS
Maples Flowers

VENUE
Pendley Manor

A vibrant field of flowers in bloom, featuring a mix of blue, purple, and yellow blossoms. The background is a clear, bright blue sky, creating a summery and cheerful atmosphere. The flowers are in various stages of bloom, with some fully open and others as buds.
